

ASSOCIATE OF SCIENCE IN MEDICAL LABORATORY TECHNOLOGY

Trimester 1 (13 Credits)		Credits
MLT-1001	Introduction to The Medical Laboratory*	2
MLT-1030	Urinalysis/Introduction to Microbiology*	2
CHE-1100	General Chemistry 1**	4
MTH-1001	College Algebra	3
INCR-1001	Foundations of Integrative Care****	1
MED-1000	Medical Terminology	1
Trimester 2 (11 Credits)		
MLT-1070	Hematology/Introduction to Phlebotomy	2
MLT-1080	Immunology	2
CHE-1200	General Chemistry 2***	4
	Communication General Ed course	3
Trimester 3 (13 Credits)		
MLT-1130	Clinical Chemistry 1	3
MLT-1150	Clinical Microbiology 1	3
MLT-1170	Clinical Hematology 1	3
BIOL-1000	Introduction to Biology	4
Trimester 4 (12 Credits)		
MLT-2080	Clinical Immunology	3
MLT-2130	Clinical Chemistry 2	3
ANP-1000	Essentials of Human Anatomy & Physiology	3
	Communication General Ed course	3
Trimester 5 (12 Credits)		
MLT-2150	Clinical Microbiology 2	3
MLT-2170	Clinical Hematology 2	3
	Social science General Ed course	3
	Humanities General Ed course	3
Trimester 6 (8 Credits)		
MLT-2180	Immunochemistry	3
MLT-2200	Comprehensive Review	2
	Social science General Ed course OR Humanities General Ed course	3
Trimester 7 (6 Credits)		
MLT-2290	Clinical Training	6
Grand Total		75
Total Core Requirements		45
Total Program Requirements		30

*Offered Fall and Winter **Full term course offered in the Fall ***Full Term course offered in the Winter ****Free Course
